Planning Question 4 – imagine two articles on Bieber

4. For this question, you need to refer to the whole of **Source A**, together with the **whole of Source B**.

Compare how the writers convey their different perspectives on Justin Bieber.
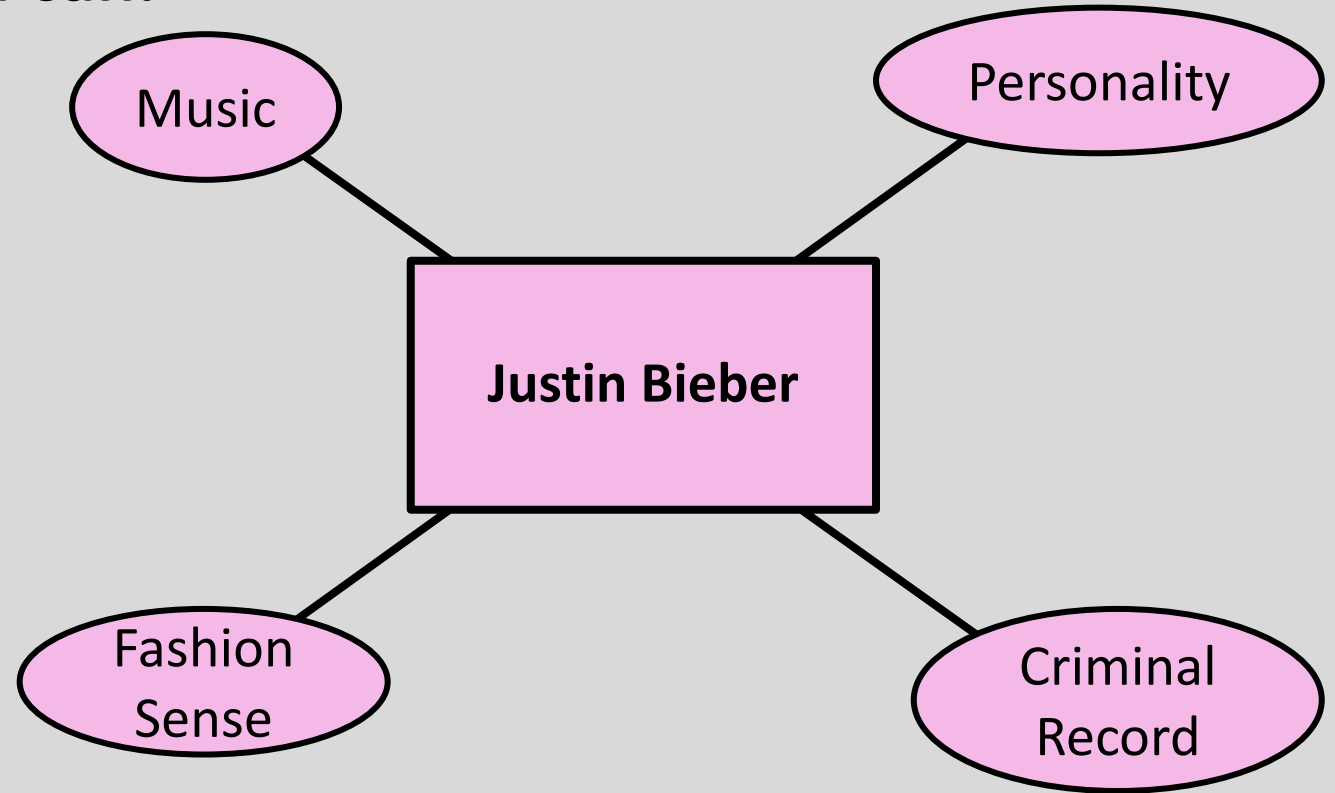

In your answer, you could:
- consider their different perspectives on the disasters
- Compare the methods the writers use to convey their different perspectives
- support your response with references to both texts.

Language Features and Structural Techniques

[16 marks]

**Break down the topic where you can:**

Music

Personality

Justin Bieber

Fashion Sense

Criminal Record

Each sub-topic can be a paragraph

You will struggle to write four paragraphs just about Justin Bieber *in general.*

Planning Question 4 – Paragraph Plan

SOURCE A | **SOURCE B**

Perspective 1

What **Language** or **Structural Feature** shows most clearly what Writer A's perspective is?

How does this **perspective** on a similar topic differ in Source B?

What **Language** or **Structural Feature** shows clearly what Writer B's perspective is?

Summarise differences

Now Repeat for **Perspective 2**

Planning Question 4 – Paragraph Plan – Justin Bieber's Music

SOURCE A   **SOURCE B**

Hates Justin Bieber's music

Loves Justin Bieber's music

We can see from his use of the words 'terrible,' 'abysmal' and 'cacophony' in a list of three that Writer A has a negative perspective on Bieber's music.

Writer B's use of the adjective 'delicious' in a short, single-word sentence clearly shows her positive perspective on Bieber's music.

Their perspectives on his music are opposed

Now repeat in a new paragraph for another topic; e.g., his **personality**.
